The 2017 Samford Show is on the 15th and 16th July. The organisers of the 49th annual Samford Show take great pleasure in inviting you to join the fun and festivities as an official 2017 Show Supporter.

Your support can be shown in a number of ways by:

- Financial contributions by the means of sponsorship
- Donations for event prizes

This year there is some exciting new offerings to enhance the benefits of your financial contribution by:

- Access to free and or heavily discounted show tickets for you and your family/customers,
- PA system announcements plus exposure of your business in the local media pre and post show,
- Event program advertising,
- Signage around the show grounds designated to your business.
- Acknowledgement of your support in the local media and on the Samford Show Society website.

Recognition of your sponsorship of the Samford Show is an opportunity to showcase your business to the people in the local and surrounding areas.

This year we will have two new big draw card entertainers and will confirm their attendance as soon as possible. This new entertainment, as well as all the annual favourites, is helping to make the 49th Samford Show bigger and better than ever. Please do not miss the opportunity to be part of the fun and enjoy the benefits that sponsorship will bring to your business.

As it is the case every year, the growing success of the Samford Show is directly attributed to the support of the local & surrounding area businesses. Without this critical support the Samford Show capacity of providing fun and entertainment would be greatly reduced.

Donations of support will need to be received no later than Friday 9th June 2017 to ensure acknowledgement of your business in printed media and the Samford Show Society website. The sooner payment is received the more advertising exposure your business will receive.

Pavilion sponsorship deadline is on Friday 21st April (or as otherwise advised).
