Dear Enthusiast

I am writing to invite you to display your classic car/vintage motorcycle/vintage caravan at the Samford Show on Saturday 10<sup>th</sup> and Sunday 11<sup>th</sup> July 2021.

The show is back on this year after a break due to COVID.

There will be new regulations in place because of COVID however it will be a great show as always.

Entry to exhibitors will be free this year with the display of your PINK windscreen sticker showing your entry number. Up to two persons per car/bike per day will get free admission – any extra persons in your group will have to purchase a ticket inline and have a paper copy to be presented at the gate.

Please send me your completed entry form with a stamped addressed envelope so that I am able to send out your entry passes at the end of June.

I look forward to seeing you and your beautiful vehicles at the show.

Kindest regards

*Trevor*
