A MESSAGE OF THANKS

The Samford & Districts Show Society Inc. is a proud not-for-profit community organisation run entirely by dedicated volunteers. We are deeply grateful for the generous support we receive through grants, sponsorships and volunteer efforts. It is this incredible community spirit that makes it possible to bring you the entertainment, competitions, and displays that are such a highlight of our annual show.

We extend our heartfelt thanks to the local community for their unwavering support in the lead-up to the show. Whether through attending working bees or responding to our calls for help on community pages, your willingness to lend a hand has been truly inspiring.

We'd also like to acknowledge "The Village Pump" for its vital role in helping us keep the community informed - its pages have been instrumental in our preparations and ongoing success.

A special thank you goes to the Queensland Scouts for their invaluable assistance at the entry gate and with parking control throughout the event.

This year, we've made significant improvements to enhance the experience for our **visitors**, including the complete replacement of our water pipework - an upgrade we're excited to share with those staying on-site.

Most of all, thank you for joining us. Your attendance and participation are what make this event so special.

We hope you thoroughly enjoy the Show!

Samford Show Society Management Committee

Grant Acknowledgment for 2026

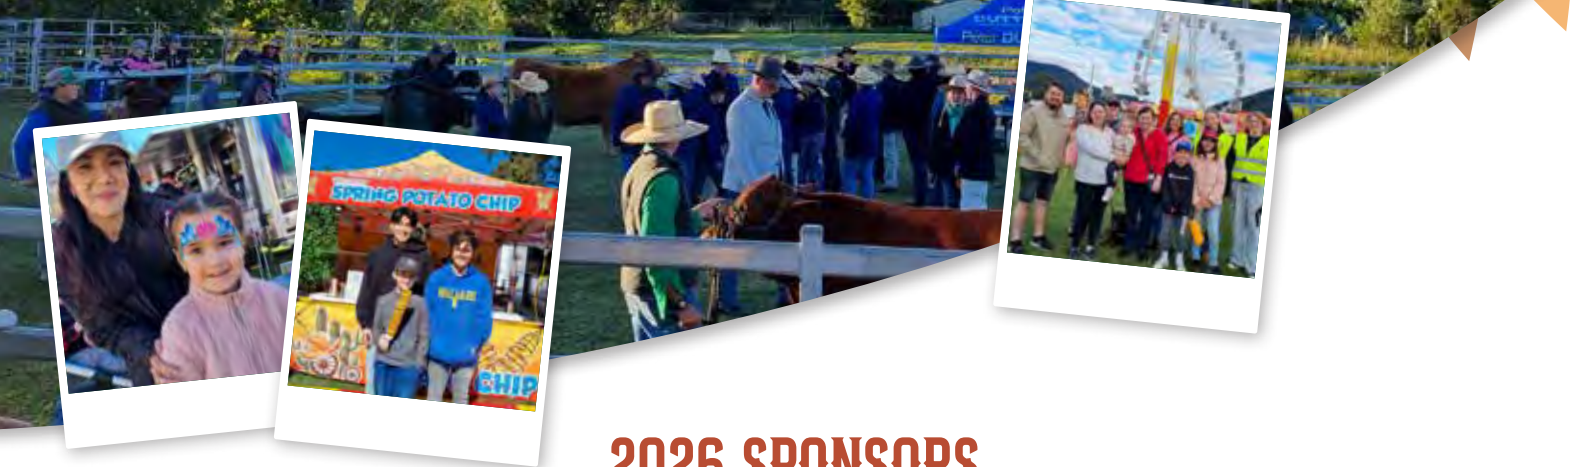

City of Moreton Bay

A \$6000 recurring Show Society Grant was received to assist the society undertake its role in the community.

2026 SPONSORS

Samford and district show society would like to thank our 2026 show sponsors

The growing success of the Samford Show is directly attributable to the support of businesses in our community, both local and further afield. Without this critical support there would be no annual show. The organisers of the show take great pleasure in thanking our 2026 sponsors.
